

## How to share your memories from 40 Years of the Island Games

### Add your memory on the Replay Memories website

To add your memory, please visit our Island Games website at this address  
<https://islandgames.sportingmemories.net/>

Once on the Island Games main page – please click the 'Add a Memory' box on the right-hand side or shown in the revolving image at the top of the page.

You will be guided to a form where you can share your memory. Complete the form and include your name, email address then submit your memory with any images or videos uploaded before sending.

Your memory can be as long or as short as you want, but the more detail the better!

### Email us your videos or extended memories

If you want to share more with us (such as large videos and several images) you can do so by emailing [contact@sportingmemories.uk](mailto:contact@sportingmemories.uk) with your email titled 'Island Games Memories' – and send us an email with information including:

- Any memories you would like to share, including written anecdotes
- The edition of the Games that the pictures or videos you are sharing were from
- Who are in pictures/videos (if you know)
- Who should be credited for the images/videos if not yourself
- And any additional information to add context to the images/videos you send

### What happens next?

The memory shared will then be checked by our team before it is published.

You will receive an email when the memory is live on our website with a direct link to your published memory so you can share with friends and family!

### Further information

If you'd like to ask any questions about sharing your Island Games memories, please get in touch with us through [contact@sportingmemories.uk](mailto:contact@sportingmemories.uk) and we'll do our best to answer your questions!
